How do I claim for providing this service?

Further information is provided in the Program specific guidelines.

How will I be paid?

- Register as a provider of this Pharmacy Practice Incentive Program.
- Display and comply with the Community Pharmacy Service Charter.
- Be accredited by a pharmacy accreditation program e.g. AGPP.
- Be a section 60 pharmacy.

Your pharmacy must meet SCPA requirements to be eligible to provide this program. They include:

What do I need to do to deliver this program?

Grants and relief to the care of a patient.

Reimbursement will be for pharmacists collaborating with at least two other AHPRA-registered health professionals from different professional disciplines and to document episodes of interprofessional collaborations that are intended to improve patient outcomes.

The Working with Others Pharmacy Practice Incentive Program will reimburse pharmacies for building interprofessional relationships with other health professionals.
